

BuddyCricket.site — Transparency Report (2025 Edition)

Reporting Period: 1 Jan 2024 – 31 Dec 2024

Last Updated: 27 Sep 2025

1) Mission & Model

BuddyCricket.site is a free-to-play, skill-only fantasy cricket platform. No deposits, no withdrawals, no wagering, and no cash or cash-equivalent prizes are involved. This report is published to give players, partners, and regulators visibility into fairness, privacy, security, and community practices.

2) Contest Integrity

BuddyCricket ensures fair gameplay through lineup locks, entry limits, budget caps, and strict scoring rules. Immutable logs, public contest recaps, and self-audit exports are provided for transparency. Anti-cheat measures include multi-account detection, collusion analysis, and sanctions against violators.

3) Community Safety & Moderation

Rules prohibit harassment, hate speech, impersonation, spam, or collusion. Reports are triaged within 6 hours and resolved within 24 hours. Appeals are available. In 2024, 1,280 reports were received, 82% were actioned, and 160 permanent bans were issued.

4) Responsible Gaming

BuddyCricket is free-to-play and skill-based, with session reminders, quiet hours, and play nudges. Restricted states include Assam, Odisha, Telangana, Andhra Pradesh, Tamil Nadu, and Sikkim. Minimum age is 18. National mental health helplines are provided.

5) Privacy & Data Protection

Data collected: name, DOB, email, state, lineups, logs. No financial or sensitive IDs are collected. Data is encrypted in transit (TLS 1.3) and at rest (AES-256). Passwords are hashed with bcrypt/Argon2. Users have rights to access, export, correct, or delete data within 30 days.
